DE PIERRE  
BLANCHE

*Drawing on over a century of family experience in maturing fine Rhône Valley wines, Michel and Xavier created the « Domaine de Pierre Blanche in the foothills of the Pilat massif in the late 1980s. After clearing the land and planting, the estate now boasts 16 hectares of Côte Rôtie, Condrieu, St Joseph and IGP. In order to preserve biodiversity, the estate uses integrated farming methods and is certified HVE (Haute Valeur Environnementale). As each terroir is unique, they are vinified separately to respect all their diversity.*

- 
- **GRAPE VARIETIES**
